From

To

C. S. Balasundaram Iyer, Esq. B.A.
Chief Secretaryto the Govt. of Mysore,
Bangalore.

Sir,

I have the honour to annex in the margin a copy of a telegram I have addressed this day to the Agent and Traffic Manager, Mysore Railways, in regard to large exports of horsegram to places outside the State and especially towards the Bombay Presidency from stations on the Mysore Arsikere Railway.

"Large quantities horsegram being exported from stations Mysore Arsikere Railway outside State in spite of Government's prohibition dated 30th October 1918. Please investigate and stop"

I travelled from Mysore to Hassan and Arsikere yesterday and in the course of enquiries made at the several stations learned that Station Masters on the Mysore Arsikere Railway had not received any instructions prohibiting the export of horsegram to places outside the State without priority certificates. Some Station Masters told me that they had sent out a large number of waggons and the Station Master, Akkihebbal informed me that in reply to a reference made by him to the Traffic Manager, he received a reply from the Traffic

Traffic Manager (No. 681/18 of the 20th January 1919) to the effect that he might "book horsegram without any restrictions". I request that this serious omission may be kindly caused to be investigated.

I beg to add that the Station Master of Mysore informed me that he had received no instructions through the Madras and Southern Mahratta Railway authorities about the prohibition to export black gram, green gram, thuvar dal and chillies beyond the State without priority certificates and that he believed that other stations on the M. and S. M. Railway had also not received these instructions. This also may be kindly enquired into.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller in Mysore.

S i r ,

With reference to the observation contained in your letter No.G.15946/P.P.109-18-23 dated 30-1-19, I have the honour to submit that, as the Notification of Government controlling Horsegram was ordered to be published in the Mysore Gazette, no intimation was given by me to the Mysore Railway authorities as the Gazette publication is binding on all officers of the Mysore Government concerned, including the Mysore Railway authorities ~~are included in these~~. In fact, no orders of the kind were ever communicated by me to the Mysore Railway authorities before the 1st of January 1919, and a kind reference to Government orders Nos. G.2714-26/P.P. 66-19-1 dated 6-8-18, G.12810-16/P.P.134-18-14 dated 28-12-18 and G.14474-81/P.P.134-18-207 dated 16-1-19 will show that the Agent Mysore State Railways is being given intimation -- direct by the Government in cases where it is deemed necessary. I have also the honour to submit in this connection that on a reference received from the District Traffic Superintendent Rayapuram with his No.T.M.190/19 dated 21-1-19, stating that the Kolar Station Master was booking horsegram without priority certificates, I at once wrote to the Agent Mysore State Railways, inviting his attention to Government Notification No.G.7885/P.P.109-18-7 dated 30-10-18 and requested him to order all the station masters not to book horse-

Sir,

I have the honour to state that Government Order No.G.7885-P.P.109-18-17 dated 30th October 1917 regarding restrictions imposed on the export of horse-gram was not communicated to this office and the appearance of the notification in the Mysore Gazette dated 7th November 1918 was overlooked. As a result of this, horse gram was being exported from stations on this railway until recently when the Food Controller drew attention to the notification. To prevent similar mistakes occuring again, I shall be obliged if you will kindly arrange for all Government Orders relating to the transport of grain or other commodities by railway being communicated to this office direct in addition to their being published in the Gazette.

I have the honour to be,
Sir,
Your most obedient servant,

Agent,
